

## A Tenant of Christianity

Thomas Merton, he  
short-circuited

in a Bangkok fleabag,  
fan to blame--

open-and-shut proof.  
Jesus! Cartoon

snuff for him you'd  
think, but where  
we're at's why

we can't stay: now, in truth,  
it's something you don't cross  
every day so therefore

what I wish to ask is how do you  
you like your burnt-eyed boy, Mr Door?
